EBEC approval		

Dear Jantsje Mol,

The Economics & Business Ethics Committee (University of Amsterdam) received your request nr 20220114010112 to approve your project "Perceived platform economy taxes under changing EU legislation (gig economy survey)".

We evaluated your proposed research in terms of potential impact of the research on the participants, the level and types of information and explanation provided to the participants at various stages of the research process, the team's expertise in conducting the proposed analyses and particularly in terms of restricted access to the data to guarantee optimal levels of anonymity to the participants.

The Ethics Committee approves of your request.

The information as filled in the form, can be found at  
<https://www.creedexperiment.nl/EBEC/showprojectAVG.php?nummer=20220114010112>

Best regards,

On behalf of the Ethics Committee Economics and Business,

Prof. Dr. J.H. Sonnemans  
Chairman of the Committee
