EBEC approval

Dear Barbora Doležalová,

The Economics & Business Ethics Committee (University of Amsterdam) received your request nr 20200606050633 to approve your project "Intrinsic and extrinsic motivation in deepfake detection".

We evaluated your proposed research in terms of potential impact of the research on the participants, the level and types of information and explanation provided to the participants at various stages of the research process, the team's expertise in conducting the proposed analyses and particularly in terms of restricted access to the data to guarantee optimal levels of anonymity to the participants.

The Ethics Committee approves of your request.

The information as filled in the form, can be found at

Best regards,

On behalf of the Ethics Committee Economics and Business,

Prof. Dr. J.H. Sonnemans

Chairman of the Committee
