

4: External ownership of the data Form

1. **Project name:** Living with Restrictions: The Duration of Restrictions Influences Construal Levels

2. **Lead researcher:** Gulen Sarial-Abi

3. **Data steward UvA EB/ASE-RI/ABS-RI:**

4. **External owner of the data:**

The external owner is responsible to ensure that the data steward of UvA EB has correct contact information of the data owner so the data steward can contact the owner with requests for access to the data in case of suspected fraud or unethical behavior (when a formal complaint at the UvA committee *Wetenschappelijke Integriteit* has been made and found admissible). Access can be denied for other purposes. If desired, both parties can jointly appoint a third party to access and check the data.

The external owner is responsible to ensure that the data is stored safely in accordance with the Dutch law for at least 10 years (and at least 5 years after publication of an academic paper based on the data).
